HERBAL REMEDIES FOR STREP OR SORE THROATS

This is a very valuable formula that has saves hundreds and hundreds of dollars in medical expenses.

- 1 T. pure honey
- ¼ t. cayenne pepper
- Four cloves of garlic pressed through a garlic press

Those are the proportions, but you'll need more than that, so take four tablespoons of honey, one teaspoon of cayenne pepper and sixteen pressed cloves of garlic, and mix that all together.

Take ½ teaspoon to one teaspoon of the formula every 30-60 minutes. DON'T WASH IT DOWN – let the honey coat the throat, then the cayenne being a rubefacient will bring blood into the area, and then your immune system will be stimulated with the garlic.

Garlic is anti-bacterial, anti-fungal, and anti-viral, so anything that may be causing the sore throat, the **garlic**, along with the **cayenne** and the **honey** coating the area, **will take care of the problem.**

How long does it take to get over strep throat with the standard medical procedure?

10 days. **This herbal remedy will generally get you over strep throat in 24 hours.**

HERBAL STITCHES

To equal parts of **honey and wheat germ oil**, blend in finely chopped or powdered, fresh or **dried comfrey leaf or root**. When the mixture is the consistency of a heavy spreadable paste it is ready to use. **Apply it a half-inch thick or more**, over the entire area that has been burned, scalded, fingers or toes ripped off, areas that need skin grafts, etc.

Cover with gauze and bandage lightly. Observe area from day to day and if paste has been absorbed, add more on top of the original application. **Do not remove original, just add to it when needed."**
