- Matthew 9:29
- Matthew 17:7

“The work of Christ in cleansing the leper from his terrible disease is an illustration of His work in cleansing the soul from sin. The man who came to Jesus was "full of leprosy." Its deadly poison permeated his whole body. **The disciples sought to prevent their Master from touching him; for he who touched a leper became himself unclean. But in laying His hand upon the leper, Jesus received no defilement. HIS TOUCH IMPARTED LIFE-GIVING POWER.** The leprosy was cleansed...” (DA 266.1)

“Some matters have been deeply impressed upon my mind, and one **IS THE NECESSITY FOR MUCH BETTER FACILITIES IN THE BATHROOMS. THIS IS WHERE IMPRESSIONS WILL BE MADE UPON MINDS. WE MUST HAVE CONVENIENCES IN THESE ROOMS--MASSAGE TABLES**, and a cot on which to give packs. **All these things make their impression...**” {PC 15.5}

"The sanitariums themselves were conducted as medical missionary institutions, whose purpose it was to **MAKE USE OF HYDROTHERAPY AND MASSAGE AND DIET AS THE CHIEF METHODS OF THERAPEUTICS**, and in addition carry forward a strong educational work through parlor lectures, literature, and personal bedside and office ministry...”{1947 LHC, FSG 306.1}

“**Recognizing the need and the value of having a treatment equipment where the simple methods ministered in our sanitariums could be given**, there was opened in the city of Kingston in August, 1912, what is now known as the **"MASSAGE AND HYDROPATHIC TREATMENT-ROOMS."** {June 8, 1913 WAsE, GCB 314.15}
